Dear Sir(s),

**Sub: Clarification**

This has reference to your email dated 1st October, 2021 seeking clarification with respect to the announcement made by the Company on 24th September, 2021 regarding prohibition of mining in the radius of 10 km from Bassi Wildlife Sanctuary.

The National Green Tribunal Order dated 24th September, 2021 (hereinafter referred as 'said NGT Order') affects only a part of the mining lease of the Company which falls within 10 Km of Bassi Wild Life Sanctuary. The Bench has also appointed an expert Committee to study the impact of mining beyond the boundaries of ESZ notification dated 8th April, 2021 and submit its report within time limit of 3 months from the first meeting of the said Committee.

In the interim, the Company is continuing to conduct mining operations in areas beyond the restricted area as above to meet its requirement of limestone.

Accordingly, the Company is not expecting any loss/damage currently on account of the said NGT Order.

This is for your information and record please.

Thanking you,

Yours faithfully,  
For **BIRLA CORPORATION LIMITED**
