INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF M/s BIRLA JUTE SUPPLY COMPANY LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **M/s. BIRLA JUTE SUPPLY COMPANY LIMITED** (the 'Company'), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March 2022, its **Profit** (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), **Profit** (financial performance

including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for explaining our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- g. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- h. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. The Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197 (16) is not applicable.
- 2. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "**Annexure – I**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 3. Further to our comments in Annexure I, as required by Section 143 (3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d. in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;
 - e. on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure II**". Our report expresses an unmodified opinion on the adequacy.

g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i) the Company does not have any pending litigations which would impact its financial position;
- ii) the Company did not have any long – term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

Annexure "I"

Annexure "I" referred to the Independent Auditor's Report of even date to the members of M/s. Birla Jute Supply Company Limited on the standalone financial statements for the year ended 31st March 2022.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a. 1. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 2. The Company has no intangible assets. Thus, paragraph 3 (i) (a) (2) of the Order is not applicable.
 - b. The Company has a program of physical verification of Property, Plant and Equipment and right – of – use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us, and on the basis of our examination of the records provided to us, we report that, the title deeds, comprising all the immovable properties, are held in the name of the Company as at the balance sheet date.
 - d. The Company has revalued its Property, Plant and Equipment (including right of – use assets) during the year. The revaluation is based on the valuation of a Registered Valuer. The net carrying value of Free Hold Land has increased by Rs. 10,600 (in thousands).
 - e. No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii)
 - a. The Company does not have inventory and accordingly, reporting under clause 3 (ii) (a) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.
 - b. The Company has not been sanctioned working capital limits by banks or financial institutions on the basis of security of current assets during any point of time of the year. Accordingly, reporting under clause 3 (ii) (b) of the Order is not applicable to the Company.
- iii) The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties during the year. Accordingly, reporting under

- clause 3 (iii) of the Order is not applicable to the Company.
- iv) The Company has not entered into any transaction covered under sections 185 and 186 of the Act. Accordingly, reporting under clause 3 (iv) of the Order is not applicable to the Company.
 - v) The Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3 (v) of the Order is not applicable to the Company.
 - vi) The Central Government has not specified maintenance of cost records under sub - section (1) of section 148 of the Act, in respect of Company's products/business activity. Accordingly, reporting under clause 3 (vi) of the Order is not applicable.
 - vii) a. In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, income - tax, sales - tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year - end for a period of more than six months from the date they became payable.
b. According to the information and explanations given to us, there are no statutory dues referred to in sub clause (a) above that have not been deposited with the appropriate authorities on account of any dispute.
 - viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.
 - ix) a. According to the information and explanations given to us, the Company does not have any loans or other borrowings from any lender. Accordingly, reporting under clause 3 (ix) (a) of the Order is not applicable to the Company.
b. According to the information and explanations given to us including confirmations received from banks and representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
c. In our opinion and according to the information and explanations given to us, no money was raised by way of term loans. Accordingly, reporting under clause 3 (ix) (c) of the Order is not applicable.
d. In our opinion and according to the information and explanations given to us and on an overall examination of the financial statements of the Company, no funds were raised by the Company. Accordingly, reporting under clause 3 (ix) (d) of the Order is not applicable.
e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company,

the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Thus, paragraph 3 (ix) (e) of the Order is not applicable.

- f. According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Thus, paragraph 3 (ix) (f) of the Order is not applicable.
- x. a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3 (x) (a) of the Order is not applicable to the Company.
b. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3 (x) (b) of the Order is not applicable to the Company.
- xi. a. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.
b. No report under section 143 (12) of the Act has been filed with the Central Government for the period covered by our audit.
c. According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle – blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. All transactions with the related parties of the Company are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards;
- xiv. According to the information and explanations given to us, the Company is not required to have an internal audit system under section 138 of the Act and consequently, does not have an internal audit system. Accordingly, reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. According to the information and explanation given to us, the Company has not entered into any non – cash transactions with its directors or persons connected with them and accordingly, provisions of section 192 of the Act are not applicable to the Company. Thus, paragraph 3 (xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45 – IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3 (xvi) of the Order is not applicable to the Company.

- xvii. The Company has not incurred any cash loss in the current financial year as well as the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3 (xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the plans of the Board of Directors and management, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. According to the information and explanations given to us, The Company does not fulfil the criteria as specified under section 135 (1) of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and according, reporting under clause 3 (xx) of the Order is not applicable to the Company.
- xxi. The Company is not required to prepare Consolidated Financial Statements. Accordingly, clause 3 (xxi) of the Order is not applicable.

Annexure "II"

Independent Auditors' Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s. BIRLA JUTE SUPPLY COMPANY LIMITED** as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are

being made only in accordance with authorisations of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

BIRLA JUTE SUPPLY COMPANY LIMITED
CIN : U01113WB1950PLC093522

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31st March 2022

1. CORPORATE AND GENERAL INFORMATION

Birla Jute Supply Company Limited is a company of M. P. Birla Group. It was incorporated in the year 1950. The Company is primarily engaged in the trading of Raw Jute and jute products as its core business activity.

2. BASIS OF PREPARATION

2.1 Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements of the Company for the year ended 31st March, 2022 has been approved by the Board of Directors in their meeting held on 10th May, 2022.

2.2 Basis of Measurement

The financial statements have been prepared on historical cost basis, except for following:

- Financial Assets and Liabilities (including Derivative Instruments) that is measured at Fair value/ Amortised Cost;
- Freehold land falling under Property, Plant & Equipment that is measured at fair value.

2.3 Functional and Presentation Currency

The Financial Statements have been presented in Indian Rupees (INR or ₹), which is also the Company's functional currency. All financial information presented in INR has been rounded off to nearest thousand, unless otherwise stated.

2.4 Use of Estimates and Judgements

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period prospectively in which the results are known/ materialized.

2.5 Current Vs non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is classified as current when it is:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

3. SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

3.2 Income Tax

Income Tax comprises current and deferred tax. It is recognized in the Statement of Profit or Loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

3.2.1. Current Tax

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

3.2.2. Deferred Tax

- Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.
- Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.
- Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

3.3 Property, Plant and Equipment

3.3.1. Recognition and Measurement:

- Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any) except freehold land where the Company has opted revaluation model during the year (Refer Note No. 5.01).
- Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

- In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- The Company had opted for accounting the exchange differences arising on reporting of long term foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules 2009 relating to Accounting Standard-11 notified by Government of India on 31st March, 2009 (as amended on 29th December 2011), which will be continued in accordance with Ind-AS 101 for all pre-existing long term foreign currency monetary items as at 31st March 2016. Accordingly, exchange differences relating to long term monetary items, arising during the year, in so far as they relate to the acquisition of fixed assets, are adjusted in the carrying amount of such assets.
- If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

3.3.2. Subsequent Expenditure

- Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

3.3.3. Depreciation and Amortization

- Depreciation on tangible assets is provided on straight line method at the rates determined based on the useful lives of respective assets as prescribed in the Schedule II of the Act.
- In case the cost of part of tangible asset is significant to the total cost of the assets and useful life of that part is different from the remaining useful life of the asset, depreciation has been provided on straight line method based on internal assessment and independent technical evaluation carried out by external valuers, which the management believes that the useful lives of the component best represent the period over which it expects to use those components. In case of certain components of plant and machineries depreciation has been provided based on the useful life considered at 2-15 years.
- Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).
- Depreciation and amortization on right-of-use assets (leasehold land) is provided on straight line method over the period of lease.
- Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

3.3.4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

3.4 Leases

3.4.1. Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a

specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered prior to the date of transition, the company has determined whether the arrangement contains a lease on the basis of facts and circumstances existing on the date of transition.

3.4.2. Company as lessor

➤ Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

➤ Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

3.4.3. Company as Lessee

The Company's lease asset classes primarily comprise of lease for land and building. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below:

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the underlying assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in section 'Impairment of Non-Financial Assets'.

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if any.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The Company's lease liabilities are included in other current and non-current financial liabilities.

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

"Lease liability" and "Right of Use" asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

3.5 Revenue Recognition

Effective 1st April 2018, the Company has adopted Ind AS 115 "Revenue from Contracts with Customers" in respect of recognition of revenue from contracts with customers which provide a control-based revenue recognition model and a five step application approach for revenue recognition as under:

- Identification of the contract(s) with customers;
- Identification of the performance obligations;
- Determination of the transaction price;
- Allocation of the transaction price to the performance obligations;
- Recognition of the revenue when or as the Company satisfies performance obligation.

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services. Revenue excludes collected on behalf of third parties.

3.5.1. Interest Income

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income (FVTOCI), interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

3.6 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.6.1. Financial Assets

- It consists of cash and Bank Balance measured at Fair Value Through Profit or Loss(FVTPL),

- **Derecognition**

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

➤ **Impairment of Financial Assets**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.6.2. Financial Liabilities

➤ It is measured at Amortised Costs,

➤ **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

➤ **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.7 Provisions, Contingent Liabilities and Contingent Assets

3.7.1. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

3.7.2. Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Financial Statements.

3.7.3. Contingent Assets

Contingent assets are not recognised in Financial Statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

3.8 Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 — Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of IND AS and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

3.9 Standards Issued/amended but not yet Effective

There are no standards that are issued but not yet effective on March 31, 2022. Ministry of Corporate Affairs ("MCA"), vide Notification dated 23rd March 2022, has made the following amendments to the existing standards which are effective from 1st April, 2022.

- Ind AS 109 : Annual improvements to Ind AS (2021)
- Ind AS 103 : Reference to Conceptual Framework
- Ind AS 37 : Onerous Contracts – Costs of Fulfilling a Contract
- Ind AS 16 : Proceeds before intended use
- Ind AS 41 : Agriculture

Based on preliminary assessment, the company does not expect significant impact of these changes on its financial statements.

4. **Significant Judgements and Key sources of Estimation in applying Accounting Policies**

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- **Recognition of Deferred Tax Assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.
- **Useful lives of depreciable/ amortisable assets (tangible and intangible):** Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.
- **Provisions and Contingencies:** The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied as best judgement by management regarding the probability of exposure to potential loss.

- **Impairment of Financial Assets:** The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Total	3,613.18	-	-	-	-	-	3,613.18	-	-	-	-	3,613.18

5.01 Freehold land of the company has been revalued during the year on the basis of valuation report made by independent valuers and effective date of the revaluation is 01.04.2022. Carrying amount that would have been recognised had the freehold land been carried under the cost model is ₹ in thousand 3,600.00 (previous year ₹ in thousands 3,600.00). The revaluation Surplus of ₹ in thousands 10,600.00 has been recognised and presented under "Other Comprehensive Income".

The fair value was based on current prices in the active market for similar properties. The main inputs used were quantum, area, location, demand, restrictive entry to the land. The valuation was based on valuations performed by accredited independent valuers. Fair valuation was based on depreciated open market price method. The fair value measurement was categorized in the level 2 fair value hierarchy.

5.02 All the Title Deeds of the Immovable property are held in the name of the Company.

19.1 Maturity Analysis for financial liabilities

a) The following are the remaining contractual maturities of financial liabilities as at 31st March 2022

Particulars	On Demand	Less than 6 months	6 months to 1 year	1 year to 5 years	More than 5 years	Total
Non-Derivative	-	-	-	-	-	-
Trade payables	39.70	-	-	-	-	39.70
Total	39.70	-	-	-	-	39.70

b) The following are the remaining contractual maturities of financial liabilities as at 31st March 2021

Particulars	On Demand	Less than 6 months	6 months to 1 year	1 year to 5 years	More than 5 years	Total
Non-Derivative	-	-	-	-	-	-
Trade payables	26.16	-	-	-	-	26.16
Total	26.16	-	-	-	-	26.16

19.2 The Company has entered into leasing agreement under operating lease in respect of Office space for original lease period ranging upto 33 years.

Total operating lease expenses in the statement of profit and loss is ₹ 2.64 (previous year ₹ 2.88).

20 Fair Values

20.1 The following is the comparison by class of the carrying amounts and fair value of the Company's financial instruments that are measured at amortized cost:

Particulars	31st March 2022		31st March 2021	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Bank Balance other than note 7	11,371.90	11,371.90	10,384.91	10,384.91
Bonds				
Government Securities				
Loans				
Loan to Related Parties				
Cash and Cash Equivalents	247.82	247.82	810.67	810.67
Security Deposits				
Total Financial Assets	11,619.72	11,619.72	11,195.58	11,195.58
Financial Liabilities				
Non-Current Borrowings				
Loans from Related Parties				
Rupee Term Loan				
Foreign Currency Term Loan	39.70	39.70	26.16	26.16
Trade Payables	39.70	39.70	26.16	26.16
Total Financial Liabilities	39.70	39.70	26.16	26.16

20.2 The management assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, short term borrowings, and other financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

20.3 For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to their fair values.

20.4 The fair value of the financial assets and financial liabilities is included at the amount at which the instruments could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

21 Assets and Liabilities measured at Fair Value - recurring fair value measurements

21.1 As at 31st March 2022 and 31st March 2021

Bank Balance other than note 7			11,371.90			10,384.91
Total Financial Assets	-	-	11,619.72	-	-	11,195.58
Financial Liabilities						
Non-Current Borrowings						
Debentures						
Rupee Term Loan						
Foreign Currency Term Loan			39.70			26.16
Trade Payables			39.70			26.16
Total Financial Liabilities	-	-	39.70	-	-	26.16
Investment Properties						

21.3 During the year ended March 31, 2022 and March 31, 2021, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

21.4 Explanation to the fair value hierarchy

The Company measures financial instruments, such as, quoted investments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

21.4.1 Level 1 Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

21.4.2 Level 2 The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

21.4.3 Level 3 If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration included in level 3.

Ratio Analysis and its elements

Ratio			Current Period 2021-22	Previous Period 2020-21	Variance	% Variance	Reason for Variance
Current ratio	Current Assets	Current Liabilities	292.69	427.97	(135.28)	(31.61)	
Debt-equity ratio	Total Debt	Shareholder's Equity	-	-	-	-	
Debt-service coverage ratio	Earning for Debt Service = Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other	Debt service = Interest & Lease Payments + Principal Repayments	-	-	-	-	
Return on equity ratio	Net Profits after taxes - Preference Dividend (if any)	Average shareholder's Equity	0.02	0.03	(0.01)	(33.33)	
Inventory turnover ratio	Cosr of goods sold OR sales	Average inventory = (Opening + Closing balance / 2)	-	-	-	-	
Trade Receivables turnover ratio	Net Credit Sales = Net credit sales consist of gross sales minus sales return. Trade receivables includes sundry debtors and bill's receivables	Average trade debtors = (Opening + Closing balance / 2)	-	-	-	-	
Trade Payables turnover ratio	Net Credit Purchases = Net credit purchases consist of gross credit purchases minus purchase return	Average Trade Payables	-	-	-	-	
Net capital turnover ratio	Net Sales = Net sales shall be calculated as total sales minus sales returns	orking Capital = Working capital shall be calculated as current assets minus current liabilities	-	-	-	-	
Net Profit ratio	Net profit shall be after tax	Net Sales = Net sales shall be calculated as total sales minus sales returns	-	-	-	-	
Return on capital employed	Earning before interest and taxes	Capital Employed = Tangible NetWorth + Total Debt + Deferred Tax Liability	0.02	0.04	(0.02)	(50.00)	
Return on Investment			-	-	-	-	

22 Company is not the holder of any Benami property during the F.Y. 2020-21 and F.Y. 2021-22

23 There are no transactions with stuck off companies during the F.Y. 2020-21 and F.Y. 2021-22

24 There are no transactions in Crypto currencies during the F.Y. 2020-21 and F.Y. 2021-22

25 The Company has not any such transaction which is not recorded in the books of Accounts that has been surrendered or disclosed as income during the year in the tax assessment under Income tax Act, 1961. Besides, The company does not have any previously unrecorded income and related assets.

26 Comparative financial information (i.e. the amounts and other disclosure for the preceding year) presented above, is included as an integral part of the current year's financial statements, and is to be read in relation to the amounts and other disclosures relating to the current year. Figures of the previous year are regrouped and reclassified wherever necessary to correspond to figures of the current year.
